

In Praise

||: D/F# // // // G // // // :||

The sun, the stars, the moon they're out there

Proclaiming, praising, creator God-man

We join, we join, the noise they're making

G // // // // // //

And lift our voice to praise our Creator

D/F# G
Never did the wind blow without You

D/F# G D/F# G
Never did a bird sing without You singing right there too

D/F# G
Never did the waves crash without You

D/F# G D/F# G
Never did the sun shine without You shining it's true

[on cue, in six]

G
In praise of your faithfulness

D
This moment I bring

G
In praise of your beauty

D
This song that I sing

G
In praise of your holiness

Bm7
Your perfect delight

C
Your excellent greatness

D
Spectacular light

C G
You made the stars and you call them by name

C G
You make the clouds and the sweet falling rain

D
You make the thunder that echoes in spring

C G
You make the earth shake

D [hold]
You make the earth quake
